**RE: Poly Patch  
Preliminary Estimate**

To Whom It May Concern:

J&A Construction Inc. is pleased to provide a preliminary proposal for the above referenced project. The following paragraph explains the general scope of work that we are proposing to complete for this particular project.

**Scope of Work**

We are proposing to Poly Patch the stated Ross Township roads. This entails filling the large cracks with a polymer binder mixed with stone that will be applied to the road to fill the large cracks. The poly patch will both seal the crack and smooth the pavement for the traveling public. The stone in the patching material provides structure for the material therefore enhancing the profile of the existing pavement. To complete this project, we will need to put up signs during the day hours of Poly Patching sealing.

Based on this criterion, we developed the following price:

**\$20.00 per gallon for material, labor, and equipment for Poly Patching**

**Bellavista (18), Banyon (4), Banyon Ct. (5), Beechwood (9), Cypress (2), Lark (5), Central (19), Birch (15), Spyglass (3) at top of hill.**

**All the poly patch work above will be completed in the subdivision across from School Rd. and 128 with the exception of Spyglass.  
280 gallon for a cost of (\$5600)**

**Total if all poly patch projects are completed is: \$5,600**

**Total for Poly patch and Crack Seal together is \$49,335**

**Office 937-547-1723**

**Cell 937-459-7963**
